### Author Bio:

Writing has been a desire my whole life. Once I found the courage to write, life changed for me in the most profound way. Bringing stories to readers that I'd enjoy reading and creating characters that are flawed, but lovable is such a joy.

When not writing, I'm with my family doing something fun. My husband, Gene, and I are bikers and enjoy riding to new locations, meeting new people and generally enjoying this fabulous country we live in.

I come from a family of veterans. My grandfather, father, brother, two sons, and one daughter-in-law are all veterans. Needless to say, I am proud to be an American and proud of the service my amazing family has given.

I love to hear from fans, so look me up and touch base.
