After escaping a bad marriage of his own, Grayson realizes his soul mate is still out there and his heart is set on Sam. Their instant attraction begins a steamy affair, but the women of Grayson's past aren't ready to let him go. Grayson must convince Sam that she is the only one for him.

Recommendation:

Designing Samantha's Love is a quietly powerful, emotionally packed story of love, loss, the pain of the past-and the promise of new beginnings. Ms. Fiala fills the pages with genuine believable dialogue, strong writing, engaging characters, and enough desire and passion to heat up the coldest of nights. A well-balanced blend, from the first page to the very last, that never disappoints. Can Samantha and Grayson, overcome the insecurities of the past to realize their second chance at love? Highly recommended!

About the Author:

Writing has been a desire my whole life. Once I found the courage to write, life changed for me in the most profound way. Bringing stories to readers that I'd enjoy reading and creating characters that are flawed, but lovable is such a joy.

When not writing, I'm with my family doing something fun. My husband, Gene, and I are bikers and enjoy riding to new locations, meeting new people and generally enjoying this fabulous country we live in.

I come from a family of veterans. My grandfather, father, brother, two sons, and one daughter-in-law are all veterans. Needless to say, I am proud to be an American and proud of the service my amazing family has given.
