What happens when a good man collides with his father's past and the woman he loves is caught in the middle?

Gunnar Sheppard is a man with a heritage he wants to ensure isn't repeated by him. His no-good father left him with more than a few pictures, and that's a problem.

Emma Drake has gone through more than many women her age. When she meets Gunnar the obvious attraction is hard to resist, but he's a biker and she can't run from her past, what future can they possibly have?

Long Blurb:

Formerly Titled: Gunnin' for You

The Man...

Gunnar Sheppard's father left him and his mom when he was only a month old. Now that his mom has married, he has a whole new family in his life, including two biological half-sisters, and he's hoping his heritage of a cheating, no-good father and a box of pictures his stepmother gave him after he died can be put to rest. That's where the problems begin.

The Woman...

Emma Drake has gone through some hard times. She's been stalked, cheated on, and fired. Returning home to her sister is both a balm and a burden. Her history with bikers isn't stellar and when she meets Gunnar, the sizzling, sexy biker in the parking lot, she's more than a bit unsure of him.

The Problems...

Gunnar and Emma recognize the spark between them instantly, but both have battles to fight that could harm the other. They need to find a way to keep the growing attraction strong and battle the events that keep forcing their way between them. Both are determined to rid themselves of the ugliness of the past. But finding a way to do that and not harm the other in the process seems too much to handle.

About the Author

Writing has been a desire my whole life. Once I found the courage to write, life changed for me in the most profound way. Bringing stories to readers that I'd enjoy reading and creating characters that are flawed, but lovable is such a joy.

When not writing, I'm with my family doing something fun. My husband, Gene, and I are bikers and enjoy riding to new locations, meeting new people and generally enjoying this fabulous country we live in.

I come from a family of veterans. My grandfather, father, brother, two sons, and one daughter-in-law are all veterans. Needless to say, I am proud to be an American and proud of the service my amazing family has given.

I love to hear from fans, so look me up and touch base.
