**About the Author**

Writing has been a desire my whole life. Once I found the courage to write, life changed for me in the most profound way. Bringing stories to readers that I'd enjoy reading and creating characters that are flawed, but lovable is such a joy.

When not writing, I'm with my family doing something fun. My husband, Gene, and I are bikers and enjoy riding to new locations, meeting new people and generally enjoying this fabulous country we live in.

I come from a family of veterans. My grandfather, father, brother, two sons, and one daughter-in-law are all veterans. Needless to say, I am proud to be an American and proud of the service my amazing family has given.

The second book in PJ Fiala's Second Chances series, Securing Kiera's Love, is now available.  
&nbsp;

In Designing Samantha's Love, you met David Haggerty. &nbsp;David is a friend of Gray's and owns and operates Haggerty Security. &nbsp;What you didn't find out about David in Designing Samantha's Love, was that he'd had his heart broken 30 years ago by Kiera. &nbsp;But, as life and love happen, they find themselves together again. &nbsp;Can they make it back to each other?

When I planned the series, I hadn't even thought of a story for David. &nbsp;But, somewhere along the way he started speaking to me. &nbsp;I wrote a short story for he and Kiera and thought that would be the end of it, but nope, he wanted more. &nbsp;So, I began delving into David and Kiera's

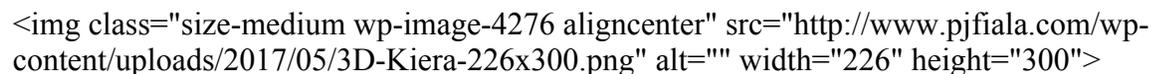

story and I found myself writing as they shared their story with me. I guess they felt they had more to say and since they were in the sharing mood, I obliged them.

I'm super proud of how the story came out and I hope you will be too.
